- Made in Britain by Granton Medical in a Class 10,000 Clean Room facility on unique, high speed, fully validated plant
- Heavy weight Medical Grade Paper
- Blue tinted transparent, multi-layer PET/PP film allows for easy viewing of the contents of the pouch
- Self Seal strip, quick and easy to use and eliminates the need for heat seal equipment and provides a validated seal
- Suitable for both steam (autoclave) and ethylene oxide (EO) sterilisation methods
- Each pouch printed with water based, non-toxic process indicators for both steam and ethylene oxide sterilisation, compliant with ISO 11140-1
- Each pouch printed with a lot number for full manufacturing traceability
- Off-Set webs for easy opening
- Tack seals to prevent curling and reduce external contamination
- Comprehensive size range, custom sizes available by arrangement
- Comply with ISO 11607 and EN 868-5
